We are pleased to announce that the Sussex IBS Clinic is now based at the Montefiore Spire Hospital in Hove.

The Sussex IBS Clinic is a private clinic which offers an innovative approach to looking after patients with Irritable Bowel Syndrome (IBS). Dr Neil Jackson, Consultant Gastroenterologist and Caroline Laidlaw, Dietitian, provide an integrated clinic dedicated to supporting patients with IBS.

Neil and Caroline have worked together for many years in providing combined nutritional and medical support for people with IBS and are delighted to be part of the new Montefiore Spire Hospital.

For more information please visit our website at [www.sussexibscclinic.co.uk](http://www.sussexibscclinic.co.uk) or contact our secretaries Chris and Lorraine either by e-mail at: [contact@sussexibscclinic.co.uk](mailto:contact@sussexibscclinic.co.uk) or by phoning us on **07808 501430**. We are recognised by most UK private health insurance companies. Our secretaries can provide advice about our fee structure.

### **Which patients do we see at the Sussex IBS Clinic?**

- People with a new diagnosis of IBS, who would like help and support in managing their condition.
- People with IBS whose condition has deteriorated and who want advice.
- People with a possible IBS diagnosis for whom a definite diagnosis has not yet been made.

### **How our clinic works**

- On your first appointment you would normally see both the Consultant and then the Dietitian who would then make a management plan with you.
- Follow-up appointments would then be tailored to your needs

### **How to make a referral to our clinic**
